

REMARKS

This Supplemental Amendment supplements the Amendment filed on August 4, 2008, to fix typographical errors in claims 1 and 8. Reexamination in light of the following remarks is respectfully requested. These amendments are made assuming that the amendments in the Amendment filed on August 4, 2008, have been entered into the record. *No new matter has been added.*

Because this amendment is made only to correct typographical errors found within the claims, entry of this amendment is respectfully requested.

In view of the foregoing amendments, all claims pending are believed to be in condition for allowance. Accordingly, favorable reexamination and reconsideration of the application in light of the amendments and remarks is courteously solicited.

If the Examiner has any comments or suggestions that could place this application in even better form, the Examiner is invited to contact Applicants' representative at the telephone number listed below.
